

Dear VV and
Susanna:

Pardon this card
it's all I could find
to write on at this
moment - Susanna
is an aries too -

3/25/51 - when's
your B.D? Anyway -

The real reason I'm
writing is that I really
love the talisman you
designed - the ring
needs to be smoother
underneath the coin
+ - solid (smooth)

FAXED

You make me feel
so special
with nice things
you say and do -
Just what kid
wouldn't love an aunt
as extra-nice as you!

Happy Birthday!

I guess when I wear them
I feel calm - seems to
help keep me on a
calm mode. Thanks!
